## INTRODUCTION

The 2022 Mississippi Bar Economic Survey was administered electronically in June, 2023. The survey was made available to all Bar members through a link emailed to them.

The questions for the survey were suggested by the Mississippi Bar. The accounting firm of GranthamPoole was responsible for the administration and tabulation of the survey and its results. The last survey was conducted in 2021 using 2020 financial data. Where appropriate, comparative data is shown.

A total of 444 members responded and completed the survey. Of the responses received, the largest percentages were from Hinds county (29.08%), Madison county (11.35%) and Harrison county (8.87%). Over 9.93% of the respondents were out-of-state. General characteristics noted in the results included the following:

- 57.45% of the respondents were male; 42.55% were female
- 91.84% of the respondents were Caucasian, 5.67% of respondents were African American, 1.06% were Latin/Hispanic
- 92% of the respondents work full-time in the practice of law
- 51.77% graduated from the University of Mississippi School of Law; 35.11% graduated from the Mississippi College School of Law; 13.12% received their law degrees from other institutions
- Most participants were employees and almost half were under the age of 44.

The charts that follow illustrate the answers to questions relating to firm structure and size, income and salaries, hourly rates and billable hours, marketing and personal satisfaction with the profession.

Thank you for your participation.
